MEMORANDUM FOR: Assistant Legislative Counsel

SUBJECT : Apparent Drafting Errors in S. 421 and
H.R. 4599

By way of follow-up to our recent conversations, your attention is invited to several points which appear to be minor drafting errors in one or the other of the two Bills:

a. Section 1 of S. 421 would add a sub-section 34 to 5 U.S.C. 1082. According to the Code, there are only thirty-one sub-sections to that section.

b. Section 4 of S. 421 and Section 3 of H.R. 4599 would delete from 1581(a) of Title 10, among other things, the words "fifty civilian positions." Again according to the Code, those words have already been replaced by the words "twenty-five civilian positions."

c. Probably the words "do not" in the last line of S. 421 should read "shall not."
